## Chapter 1 by Nataly Cisneros

I was camping with my friends. In the middle of nowhere we found a creepy old house. We decided to spent the night there. We called to see if anyone lived there but the house was empty. So we just decided to go inside. There was weird photographs of a man with a missing foot. "THAT WAS CREEPY!" we each got our own room. I finally got to bed. But something felt different i looked down to my 2 feet. But this time there was 3!!! I jumped out of bed screaming. But my friends were asleep. The foot fallowed me. So i ran out the door i went into the forest. The foot went back to the house. I was safe but my friends were not. I tried to wake them up by screaming and putting on loud music on my phone. But they didn't wake up! The next morning I woke up about like 6:30 am. I tried to get in the house but i was scared. I had to save my friends. I went inside went in the kitchen to get a knife. I went upstairs to try to find the foot. I saw it in my friends room. I was quiet i went next to the "foot" and before i could stab the knife in the foot it went on my face!!!! It scraped me in the face with it's long toenails!!! My friend woke up she tried to pull it off but it went on her face this time!!! She was screaming so loud that the cops found us in the house and took the foot away forever.
